Mokena Homecoming To Be Held Three Days, Aug. 19-20-21

The plans for the Mokena Homecoming are shaping up nicely. The committee has set aside the dates of Aug. 19, 20 and 21 for the tenth annual affair which has come to mean three days of fun and entertainment for all the crowds that have attended.

It is called "Homecoming" in a true meaning of the word, for many people return to the "old home town" for this occasion.

Next week we expect to be able to give details of the program for the entire event, and August 18 will mark the News-Bulletin special homecoming edition.

WORK CONTINUES ON VFW NEW HOME

Report of the building committee which was given at the regular meeting July 28 of the William Martin Post VFW No. 725, showed rapid progress is being made on the organization's new hall on Wolf Road at Mokena. The concrete walls are nearly completed and it is expected the roof will be added in a short time.

Ernest Pfeiffer of New Lenox has the contract for concrete work and Philip Hacker of Mokena is the contractor for the carpenter work. In addition to these, each member adds their labor in every possible way. They did the digging of the basement, laid the sub flooring and plan to assist in the wiring and many other tasks.

It is planned to have the building dedicated on Armistice day, and as things are progressing now, it appears that might be possible. The members are selling bonds to raise money to erect this modern hall, and they state bonds are still available.

One new member, Casimier Wloch of Mokena joined the organization at the last meeting, bringing the membership now to 60. They are urging all members to attend the next meeting which will be Thursday, August 11.

Vote for New School Failed to Pass Sat.

At the special school election held in the Solterman school, district 134, Homer township, last Saturday, the bond issue and the proposed new school building was voted down.

There are about 50 children of school age living in the district at present and the building being used will only accommodate half that number adequately. So far the patrons of the school have not announced any solution to this problem.

Mrs. David Pesavento, who has been teacher in this school for the past several years, recently resigned to accept a position in the Ludwig school north of Lockport.

HOME BUREAU RADIO PROGRAM

The monthly radio program sponsored by the Will County Home Bureau will be given Tuesday, August 9 at 11:15 A.M., over station WJOL, Joliet.

Miss Dorothea Eisenbrandt and Mrs. Mrs. Robert O'Dell both of Lockport, will talk on "The Coming Sports Festival at Nowell Park," which will take place Wednesday, August 10. Miss Eisenbrandt is one of the committee on arrangements for the festival.

Will County Pet Show and Kids' Parade To Be Held in Joliet August 12

Nearly 1,000 children from this area and the rest of Will county will parade through downtown Joliet August 12 with decorated buggies, bikes, scooters, wagons and their favorite pets from goats to turtles.

The parade will be the first annual Will County pet show and kids' parade, sponsored by the Retail Merchants' division of the Joliet Association of Commerce.

Each of the 1,000 children participating will compete in one of 17 contest sections for a prize and all children will compete for a grand prize.

Nearly 60 prizes worth \$350 will be distributed to winners, and every child participating will receive a gift free from the Merchants for just being in the parade.

All children under fifteen who live in Will county are eligible to register for the parade, but children under six must be accompanied by an adult, according to Mel Pohl, chairman of the committee.

Children may register by filling out entry blank which appears on another page in this paper. Blanks will also be available in all stores in Joliet and at all park recreation areas in the city.

Blanks should be filled out by each child who registers and mailed to the Retail Office, suite 200, Ottawa building, 35 W. Van Buren, Joliet. Registrants should indicate which section they wish to enter.

Entries will then be assigned a num-

ber and registrants will be advised by postcard what their number is, what division they are in and when to report to the parade.

The parade will assemble at the Central School yard in Joliet shortly after noon August 12. Route of the parade will be announced later.

Members of the committee setting up the parade are Mel Pohl, chairman; George Mahoney, prizes; John Orr, parade marshal; Bill Hart, Bill Fowler and D. F. Davis.

Purpose of the parade, Pohl said, "is to give the kids' a lot of fun, and let the old folks see what a good time they can have."

Here are the seventeen sections of the parade: Doll Sections: 1, baby dolls; 2, girl dolls; 3, mother and daughter dolls; 4, most unusual doll; 5, decorated doll buggy.

MOKENA VILLAGE BOARD

Child Lost Saturday Found After 4 Hours

When Mr. Lloyd Arnold of Worth came to Lincoln Estate Saturday morning to work on a house on 78th ave., which he is building, his wife and six year old daughter Barbara accompanied him and spent the day there. About six o'clock in the evening Barbara wandered away and after looking for her without results, Deputy Sheriff William Knipple was called.

A searching party was organized and about 10 o'clock, her father and Walter Ritt of 79th avenue, thought they heard a whimper, and went towards the noise, and there in a pasture with a group of cows was the child. She was frightened and chilly. Barbara was ill with spinal meningitis a few years ago.

Her parents are most grateful to all who joined in the search and helped them find Barbara.

Lois Blood, Joliet, and David Bruns Married in Methodist Church July 29

On the evening of Friday, July 29, at eight o'clock, Miss Lois Blood, daughter of Mr. and Mrs. James M. Blood of 1019 Sterling avenue, Joliet became the bride of David Bruns, son of Mr. and Mrs. Amos Bruns of New Lenox.

The candlelight wedding service took place in the Trinity Methodist church in Joliet, with Dr. James S. Lilley officiating at the double ring ceremony.

Preceding the ceremony, Miss Phyllis Hedstrom presented organ selections and accompanied Mrs. Charles Burt in "Sweetest Story Ever Told," and "Oh Promise Me." Mrs. Burt also sang "The Lord's Prayer" during the wedding service.

The church was decorated with palms and white and pink gladioli. There were candles at each window and four candelabras in the chancel. The candles were lighted by Mrs. Donald Carter and Miss Joanne Pettinato.

The bride, who was given in marriage by her father, wore a gown of white eyelet embroidered batiste, fashioned with a boat neckline, puff sleeves and a full, three tiered skirt. Her poke bonnet and fingerless mitts were of the same material, and her veil of illusion net fell in gathers from the bonnet to fingertip length.

She wore a three strand necklace of pearls, the gift of the bridegroom, and for something old she wore her great grandmother's wedding ring on her right hand. She carried a cascade of pink and white carnations.

Mrs. Wilfred Spiers of Joliet was the matron of honor, and Mrs. Glenn Vally of New Lenox acted as bridesmaid. Their gowns, as well as those of the candlelighters, were made of pink or gandy with poke bonnets and fingerless mitts of the same material, and all patterned identical to the bride's.

LIGHTNING RAZES BARN MONDAY AT FRANKFORT

During the heavy electrical storm on Monday evening lightning struck the barn of Vernon Hanson, Sauk trail, near Frankfort. In a short time it was a blazing furnace. Mr. Hanson was in Chicago and his wife and five children and another woman were home, but did not notice it until a neighbor notified her and called the Frankfort fire department.

The barn which was modern, contained 2,000 bales of straw and hay amounting to about 50 tons. It was completely destroyed with all its contents. There were three heifers in it which also burned. Firemen broke in a portion of the barn with the intention of making way for the release of the bull. When the latter saw the opening he jumped through the opening, scaled a 6 1/2 foot fence without injury. He did receive a slight burn on the side when he collided with a corner of the burning barn.

The buildings on the farm are quite close together, and as there was no wind, the firemen were able to prevent the fire from spreading to other buildings. A corn crib, 15 feet away was filled with corn and oats and did not burn. The firemen stayed until 6:00 a.m. Tuesday morning and only left when they were sure all fire was out.

The farm is owned by Vernon Hanson's father, William Hanson who lives in the village of Frankfort. The buildings are partially insured. The damage is estimated around \$10,000.00.

Riding Club to Have Breakfast Ride Aug. 7

At the meeting of the New Lenox Riding Club held in the home of Mrs. Paul Masanz Monday night, it was decided to change the meeting from the first Monday to the second Monday of each month. Plans were also made for another breakfast ride, for Sunday, August 7, meeting at the Fred Scheel corner.

The group will ride to the duck pond where they will prepare their breakfast. The next meeting will be September 12 in the Art Hendrickson home.

CANCER CLINIC AUGUST 9

The Will-Grundy Cancer Diagnostic clinic has announced that it will be in session for one hour Tuesday, August 9 from 10 to 11 a.m., in St. Joseph's hospital in Joliet.

Anyone in the county or state, may be presented by his personal physician or referred by letter if there is any suspicion of cancer.

Appointments may be made by notifying the clinic's secretary, Gwen Waddell in advance. His telephone is Joliet 5421.

They also wore clusters of daisies tied with pink ribbon, at the throat and carried small baskets of daisies, carnations and bachelor buttons.

Glenn Vally served as best man to the groom and the ushers were Wm. Bruns, Stewart Ayres, Norman Johnson, Joseph Bruns, brother of the groom, and James A. Blood, brother of the bride.

After the ceremony a reception was held in the church parlors. Pink and white gladioli were used for decoration. The bridal table was covered with a white linen cloth and centered with the wedding cake. The ornament on the cake was used on the wedding cake of the groom's grandparents, the late Mr. and Mrs. Joseph Hauck of Matteson, fifty years ago. It featured a miniature bride and groom dressed in the fashion of that day.

Miss Charlotte Linden, in a yellow gown, presided at the punch bowl, and Miss Betty Erickson, wearing an orchid gown, cut and served the wedding cake. Both wore wrist corsages. Mr. and Mrs. Richard Watters registered the guests in the bride's book.

Approximately 300 guests attended the wedding and reception.

For her daughter's wedding, Mrs. Blood chose a brown crepe dress with beige accessories. Mrs. Bruns wore a green satin dress with cloud gray accessories. The corsages of both were white gladioli and pink carnations.

When the couple left for their wedding trip, the new Mrs. Bruns wore a navy and coffee colored two piece linen outfit, with coffee brown accessories and a corsage of carnations. Their destination was Williams Bay, Wisconsin on Lake Geneva.

Upon their return they will live at 229 Ash street, New Lenox.

Lions to Hold Auction To Raise Money For Traffic Lights

"Each year it becomes more apparent that we need a traffic light in New Lenox to regulate the speed of cars and trucks through the village. This is particularly true during the hours when the children must cross the Lincoln highway going to and from school.

"At a recent meeting of the New Lenox Lions club, the members were unanimous in their decision to do what ever is necessary to get such a signal. They hope to buy one and have it installed before school starts this fall.

"To help raise money for this project, the Lions will hold a Public Auction on the school grounds Friday and Saturday, August 19 and 20. The articles to be auctioned will come from people interested in the community and in helping to get speed control on the Lincoln highway. We hope you can find a few articles you would like to donate. Many people have things they have no further use for and yet feel they are too good to throw away. The Lions will appreciate one article or a truck load. Don't hesitate because you think the articles are junk. It may be just the thing that someone is looking for.

"The This and That Shop is the place where you may bring moderate sized articles. If you cannot get them there or if they are large pieces, call the Shop Telephone New Lenox 2321, and arrangements will be made to pick them up at your convenience.

"We thank you for your cooperation.

WILL CO. WHEAT LOAN RATE \$2.11

The basic price support rate on 1949 crop wheat has been established at \$2.11 per bushel for Will County, Mr. Conrad Borms, chairman of the local Agricultural Conservation Committee announced today. This compares to a national average rate of \$1.95 per bushel.

Both loans and purchase agreements based on the County rate, will be

available to producers through January 31, 1950.

Loans will be made on both farm and warehouse stored grain. The maturity date has been set for April 30, 1950 or earlier on demand. Producers who keep their grain the required length of time in farm storage will receive a storage allowance of 7 cents per bushel.

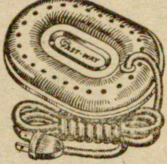

Mr. Borms pointed out that only wheat grading No 3 or better, or No. 4 or No. 5 because of test weight will be eligible for loan or a purchase agreement.

Official notices are being sent to farmers informing them of the 1950 wheat acreage allotment that has been set up for their farms by the Will County Agricultural Conservation committee. The acreage allotted to Will County is 4,980.
